

Hair Expressions Bridal Party Contract

At Hair Expressions we pride ourselves on excellent customer service and our connection to each other and our guests. We appreciate you making us a part of your special day. We offer a variety of services that can be customized for your bridal party. Our professional staff is committed to providing services to you and your bridal party to make your day enjoyable, stress-free, and help to bring your dream to reality.

Please be aware that this agreement is a contract that requires a credit card to reserve all of your appointments. You do not have to pay with the credit card you used to reserve the appointments. The complete cost of all bridal party services will be quoted upon completion of this contract. This contract is required for all bridal parties.

Bridal Hair services require an initial consultation to discuss all matters concerning your big day and experimenting with various options. We require this practice as it ensures perfection and timing to make sure everything runs smooth on your big day.
